

WORKING TOGETHER FOR OUR CHILDREN'S FUTURE

THE CHILDREN OF PYLUSD DESERVE THE BEST EDUCATION WE
CAN PROVIDE.

To provide the best education for the children of PYLUSD we must all work together. This means Teachers, Classified, Administrators and, the School Board. We can get through this budget crisis if we all work together to protect our children and our jobs. Staff cuts will result in harming our children's future by increasing class size and reducing one on one time with students.

BY WORKING TOGETHER WE CAN PROTECT OUR CHILDREN'S
EDUCATION AND FUTURE WHILE PROTECTING OUR CHILDREN'S
